

CAREER SUMMARY

I have ten years of hands-on experience in various business roles with various achievements: Manufacturing (production, dealing with DOE and DOSH), Quality (QAQC, ISO 9001 QMS, R&D, technical), and Marketing. I was in the plastic packaging, natural rubber processing and commercial explosives industries. Academically, I have an MBA (specialisation in Finance) from UPM (CGPA 3.9 / 4.0) and a Bachelor of Chemical Engineering degree (Second Upper Honours) from UK.

WORK EXPERIENCE**From Sept 2011 to April 2013**

MBA at Putra Business School, University Putra Malaysia

From June 2010 to May 2011

Job Title / Employer: Group Asst Sales Manager, Versatile Creative Berhad & subsidiary Fairpoint Plastics Sdn. Bhd.

Job Responsibilities: I was transferred to one of Versatile's subsidiaries Fairpoint Plastic Industries after the previous marketing personnel had left. 70% of Fairpoint's business was with Nestle. The job required servicing the accounts which included product developments, and some new business developments. I also contributed in operational matters as I have experience in factory management.

Reason for leaving: Further study (MBA).

From Nov 2007 to Nov 2009

Job Title / Employer: Business Development Manager, Medicplas Industries Sdn. Bhd.

Job Responsibilities: Overseeing the sales & marketing activities to ensure customers' orders were delivered as per schedule and meeting the product quality specifications; developing new businesses with existing and new customers.

Major Achievements: The sales under my portfolio had doubled from RM 0.5 million to RM 1.0 million per month.

Reason for leaving: Limited career progression.

From May 2005 to March 2007

Job Title / Employer: Assistant Factory Manager, Mardec Berhad

Job Responsibilities: Assisting the Senior Factory Manager in controlling the profitability of the processing plant operations, delivery requirements, quality control & assurance, and compliance to the statutory & regulatory requirements.

Major Achievements: Established the benchmark in the Internal QC lab setup among the other Mardec factories, improvised the ISO 9001:2000 QMS (ZERO non-compliance), and compliance to the DOSH & DOE requirements.

Reason for leaving: Returned to Klang Valley to start my family (this position was based in Mentakab, Pahang).

From Oct 2000 to March 2005

Job Title / Employer: Assistant Technical Manager, Tenaga Kimia Berhad

Job Responsibilities: Overseeing the QAQC / R&D functions, supporting the Sales and Marketing department through technical marketing activities (preparation of tender documents, supply estimates), providing consultation services for customers (blasting designs, products applications).

Major Achievements: Developed a new product for the underground blasting, developed new formulations and sourced new raw material suppliers, which contributed to 10% unit cost reduction, i.e. approximately RM 1 million then. Involvement in the blasting works of the MMCEG – Gamuda's SMART (Stormwater Management and Road Tunnel) Project in KL, securing the supply contract to Advocet Gold Mine in Kuala Lipis and Bakun Hydroelectric Dam Project in Bintulu.

Reason for leaving: Hazardous job nature (explosive industry).
