WORKING EXPERIENCE

Kuwait Finance House (Malaysia) Berhad www.kfh.com.my

Director, Head of Corporate Banking. October 2007 till April 2011.

Twenty five staff members reporting to me. The corporate bank's portfolio includes:

- All Public Listed Malaysian companies
- Multinational companies with foreign currency financing requirements
- Offshore foreign currency financing and syndications.

Geographical coverage is from the Greater China to Europe. In this capacity, I have also been appointed a member of the Credit Committee for KFH's Corporate and Investment Banks' portfolio. The coverage is on both financing and investment portfolios.

In April 2011, I formed a Client Coverage Team and assumed the position of Director in the Investment Banking Department to cover the full range of Corporate & Investment Banking, and Capital Market products. These include M&A financing and Bonds issuance.

Representative for US Exim Bank program, August 2005 - October 2007

Since 2005, the representative in Malaysia to promote the United States Exim Bank Financing program www.exim.gov . Working closely, in this role, with the funding bank, the Toronto-Dominion Bank www.td.com, which is one of the major funding banks on the US Exim penal.

Crédit Industriel et Commercial

<http://www.cic.fr/>

Country Head cum General Manager, Labuan Branch, February 1997 till July 2004

Heading the Labuan Branch of this French Bank which has been granted license by the Central Bank of Malaysia to operate offshore banking activities.

CIC Bank's operations in Asia are exclusively wholesale banking, and the Labuan Branch covers the territories that include Malaysia, the Philippines, and the Greater China.

Business activities include:

- Bilateral foreign currency lending
- Offshore foreign currency loan syndication
- Ringgit guarantees and standby letter of credit
- Distressed debt trading
- Credit derivatives (credit default swaps, credit spread options etc.)
- Asset securitisation

Other functions under this management position include:

- Human resource management
- Interfacing with the ministries, central bank, and other regulatory agencies
- Credit and financial analysis
