<b>1993-1995</b>	: Sekolah Menengah Jerai, Malaysia (PMR 3A5B)

**FINAL YEAR PROJECT**

Title	: Particle Detection on the Wafer Rough Surface with Automatic Focal
Duration	: March 2004 – February 2005

**SKILLS**

Designing	: 1) Computer Aided Design (CAD)
Programming Language	: 1) C++ 2) Pascal
Office Application	: 1) MS Word 2) MS Excel 3) Power Point
Language Skills	: 1) Test of English for International Communication (TOIEC) 645 marks 2) Passed Japanese Language Proficiency Test Level 3 3) The 2 <sup>nd</sup> Grade of the STEP test (in Practical English Proficiency)

**WORKING EXPERIENCE**

March 2005 till to date

Current Position	: Production Acting Assistant Manager
Current Employee	: Toyo-Memory Technology Sdn Bhd Plot 3, Kulim Hi-Tech Park 09000 Kulim, Kedah
Industry	: Manufacturing (Producing Aluminium Nickel Plated Aluminium Disk for Hard Disk Drive)

**Job Description** : Responsible in production line daily activities (Production condition and quality control).  
 Work on safeguards critical indicator (yield, output, machine utilization, quality and shipment).  
 Maintain safety and environment at work place and prevention of any disaster.  
 Involve in training/skill upgrade for technicians

**Others Responsibilities** : Internal Trainer for ISO 9001:2000  
 Internal Trainer for ISO 14001

**Achievement/ Conducted Test** : Slurry S8402/ S8360 evaluation, Pad NP065 evaluation, new product evaluation, Machine Tact Time Speed Up Project, Cleanliness Project, 5'S project

**Certificate of Attendance:** Fundamental of Six Sigma (Orange Belt)  
 ISO 9001:2000 Internal Trainer Training  
 Basic Mechanical Workshop Technology

### QUALIFICATIONS SUMMARY

- Work effectively both independently and as a team member
- Excellent management and organizing skills and have multi-tasking abilities
- Enthusiastic, creative, efficient, dynamic and always look forward to learn much more
- Able to adapt easily to changing environment

### SOCIETIES AND CLUB

#### University Level

- President of Malaysia Student at Nagaoka University(MADINA)
- Member of Japan Society of Mechanical Engineering

#### Secondary School Level

- Member of Mechanical Engineering Club
- Member of Kadet Remaja Sekolah

### PREFERENCES

**Willing to travel** : Yes  
**Willing to relocated** : Will be considered  
**Posses own transport** : Yes  
**Current Salary** : RM 3060  
**Minimum expected salary** : RM 5000; negotiable  
**Availability** : One month notice
