

Dear Sir,

APPLICATION OF EMPLOYMENT

Referring to the matter above, I am currently seeking new opportunities of employment in your company and herewith I include my resume to apply for the offered position.

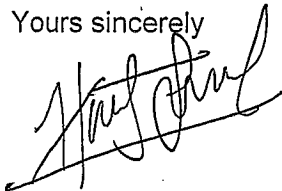

I believe my working experience would meet your requirements of the position offered. I would very much like the opportunity to contribute towards your organisation's success.

The resume includes further details of my education and my personal backgrounds that I trust and believe will meet your requirements. I would be grateful if you would consider my application. I look forward to be given the opportunity of a personal interview at your convenience.

Should you require more information, Please do not hesitate to contact me on my mobile at +6013-7330-330 for further inquiries.

Thank you.

Yours sincerely

Haris Shahrin Salihin
