REFERENCE :

DR AZMAN BIN ABD SAMAD
Lecturer
Department of Industrial Biotechnology
Faculty of Biosciences and Bioengineering
Universiti Teknologi Malaysia
81310 UTM Johor Bahru, Johor
Tel: 07-5534344 Fax:07-5531112

JOB EXPERIENCE :

OPERATOR FOR PLEXUS (2010)
SALES ASSISTANT FOR GUARDIAN (2011)
INTERNSHIP AT SCHOOL OF PHARMECEUTICAL DEPARTMENT IN USM
(UNIVERSITI SAINS MALAYSIA) (2013)

List of Courses Taken: Bachelor of Science (Industrial Biology)/ Biology

- Microbiology
- Introduction to biotechnology
- Immunology
- Genetic engineering
- Gene expression
- Fermentation technology
- Enzyme technology and biocatalysis
- Food microbiology

Final year project:

Title: The potential application oil palm fronds for animal feed using solid-state fermentation

-The aims of this study is isolating and screening of fungi that can produce lignin peroxidase to degrade the lignin layer of the oil palm fronds
