Japan No : +8180-4142-1807

**PROFESSIONAL OBJECTIVES**

To secure the best position available with my qualification and utilize it to the utmost optimum level in the industry. I would also like to utilize my ability to converse in Japanese to the fullest, which enables me to explore other opportunities not related to engineering. Securing this position would enable me to participate in this exciting limelight and would propel me further to better myself as an employee of your esteemed organization.
