11 October 2013

Dear All,

SEEKING AN OPPORTUNITY TO JOIN YOUR ORGANIZATION
With reference to your advertisement in internet I am applying for the position of
Test Engineer. I believe that my interests and credentials will match with your
requirement. I have completed my degree from University Tun Hussein Onn Malaysia in
Information Technology with distinction in Sept 2009.

Presently I am working with NCSI (M) SDN.BHD from May 2011 as a Test Engineer.
Throughout my career I have acquired a very good knowledge of Software Testing and
Security Testing. My responsibility includes providing good software to end user and
solves any problem as fast as possible.

I am enjoying my present job, but still I am looking out for new opportunities and
environment in the same field or others field that related. I really like you can consider
me to work under your company and contact me for any personal meeting or interview.

Thank you for your time and consideration.
Sincerely,
Marha Binti Hamzah

Enclosure Resume.
